# They did It!!!

**T**hank you church family for supporting your local Pathfinder club. If you made a pledge for a pathfinder, *they did the entire 10 miles!* Please submit your donations in tithe envelopes. Mark **114 Pathfinders** on the envelope. You can write the name(s) of the Pathfnder(s) for which you made the pledge on the inside of the envelope. If you need assistance remembering your pledge, please see me. If you did not make a pledge, it is still not too late to contribute. Follow the same instructions without putting any names of Pathfinders. May God continue to bless you.

In Christ,

Bab Haya, *Pathfinder Director*
